**Dear Quebec Winter Carnival Traveler:**

**We're very happy to have you joining us for our tour to the Quebec Winter Carnival, February 7-10, 2025. This letter is to inform you that reservations are open and available for the optional 30 minute dog sledding excursion.**

**Come experience the ultimate dog sled ride by driving your own hitch through fully wooded and safe trails. You will be in teams of two, where one of you will be required to drive and the other will sit in the sled. Dog sledding is physically demanding, especially for the musher (the person driving the sled) who needs to stand on the runners of the sled and steer the dogs. This requires good balance.**

**The dog sledding experience will take place on the morning of Sunday, February 9 at a cost of \$75 per person. This excursion will be limited to a maximum of 24 passengers. Advance arrangements must be made and paid through our office by final payment time and cannot be purchased the day of the trip. Payment is non-refundable unless cancelled by the dog sledding company. A waiver will need to be signed in advance and everyone participating will be required to take part in a safety instruction that morning. Warm clothing, hats, gloves and snow boots are required. This is a very active experience, please use your judgement.**
